**4-a. Work in groups to discuss the following question:**

Imagine you found a buried treasure that is worth millions with nothing that tells who the owner is. Would you keep it or give it to the police to search for its owner?

تخيل انك وجدت كنز يساوي ملايين ومعروف صاحبه . هل تحتفظ به ام تسلمه للشرطة للبحث عن صاحبه  
I give it to the police to search for its owner because we should be honest and rights should be given to their people.

**b-In your notebook, write a report explaining what you would do if you found a treasure.** ( ص 52 ) في كراستك اكتب تقرير توضح فيه ماذا تفعل اذا وجدت كنز.

If I find a treasure, I would take it to the police. This is because treasures have owners. The police will search the owner. That owner may be sad and lives a miserable. If the treasure has no owner then it will be part of the history of the country. Museums should show these treasures and people are not allowed to keep treasures or sell them so the treasures are the right of their owners or the right of the country to be shown in the museum.
