Shady: -----2-Write what you would say un each of the following situations: 1-You invite your friend to a cup of tea 2-You refuse your friend's invitation to make a trip. 3-You accept your friend's invitation to attend his brother's wedding. 3 -Read the following passage, then answer the questions: A sailing ship named "The Mary Celeste" sailed from New York to Italy in November 1872. There were 12 sailors on board. Four weeks later, the captain of another ship saw the Mary Celeste. He noticed that there was something wrong with it as it was moving strangely, so he sent some of his men to the ship to find out the problem. To their surprise, they found that there was nobody onto the ship when they climbed onto it. The table was ready for breakfast and the tea was still warm. Somebody had begun to eat breakfast. There was also money on the ship. The only thing that was missing was the ship's clock. It is thought that sailors from another ship had killed the sailors, but there was no blood and if they had killed they would probably have taken the money. Nobody ever found the sailors, so what happened to them is still a mystery.
