a & an { for singular → only one (1) }

We use (an) before the noun if the noun begins with a vowel.

There are 5 vowels:

We use (a) before the noun if the noun begins with a consonant. (the other letters)

a cat a lion a teacher a boat a game a shell → { for only one (1) }

We add (s) to the noun if the noun is plural {more than one (+1) }

| Singular ( only 1 ) | Plural ( more than one) { +1 } |
|---------------------|--------------------------------|
| ( 1 ) a boy         | ( +1 ) two boys                |
| ( 1 ) a flower      | ( +1 ) ten flowers             |
| ( 1 ) a chair       | ( +1 ) four chairs             |
| ( 1 ) an ant        | ( +1 ) six ants                |

**There is & There are**

**We use There is for one (1) only.**

- There is a bee.
- There is a ship.
- There is an olive.
- \* There are bees.
- \* There are ships.
- \* There are olives.
