It is important that a team works well together. Doing so, means they will produce the best results (in this case, the best car). So, what makes a good team?

Think about.... What do you think are the most important qualities of a good team and why?

Share opinions and listen between the members of the team.

It helps the team plan what they need to do.

It's important that the team work well together then will produce the best results.

It important to focus on their goal.

Activity 1

Fill in the blanks. Use the words below.

enjoyable	goals	qualities	fun
opinion	listen	unfair	

There are many qualities a good team should have. You should talk in your group, so you can share your opinion. As well as talking, it is important to listen. This is because someone else may want to share something. Setting team goals helps the team plan what needs to be done. This way, everyone knows what they are doing. It is also very important that everyone does their fair share. It is unfair if the work is not shared evenly between the team. It shouldn't be all work and no play. Having fun in your team will make the project more enjoyable.

Activity 2

Match the logo with the name of the car.

Chevrolet

Volkswagen

Infiniti

Ferrari

BMW

Think about... What thoughts do these logos leave in your mind? What is the first thing you think about? Speed? Modern? Classical? Fierce?

Activity 3

Now, discuss what you think about these logos in pairs. Then, share your ideas with the class.

-logos are easy to remember interesting
Every car has different logo.
-logos show how the car is like.
-some logos mean strong, other means
fast and strength.
