Read the following passage, then answer the questions :

Before we make a decision, we should consider all the facts and take our time to think about the options carefully . In fact, there are many factors that influence the decision - making process.

Human nature affects decision-making . If we had the choice, we would prefer to avoid pain rather than gain something . Physical factors also affect our decision making.

Stress is another factor which affects our decision . Researches have proved that men tend to make riskier choices than women.

Every day, we have to make countless decisions . Each decision, no matter how unimportant, makes our brain more tired .

This means we are much more likely to make decisions that we regret at the end of the day.

Answer the following questions :

39 What should we do before making a decision ?
