**Read the following passage, then answer the questions .**

It was very hot in the small court room . After a tiring morning, the judge must have felt relieved when the last case came up before the court . A middle - aged man stood before him . The man had a foolish expression on his face and he kept looking around stupidly as if he were trying to understand what was going on . The man was accused of breaking into a house and stealing a cheap watch . The witness did not give a very clear account of what had happened , but on being questioned, he confessed that he was not sure whether that was the man .

The judge considered the matter for a short time and then declared that as there was no real proof , the man could not be found guilty . When the judge was ready to go , the accused looked very puzzled . It was clear that he had not understood a thing . Noticing this, the judge paused for a moment and then the man said , “ Excuse me sir ,but do I have to give the watch back or not? ”
