Read the following passage , then answer the questions:

If you plan on going to Hawaii, don't bring any pets. Hawaiians are wary of letting in foreign animals. They have strict rules for importing animals. They screen all incoming pets as they've had problems with new animals in the past.

The black rat was introduced to Hawaii in the 1780s. Since then, black rats have been pests. They have feasted on sea turtle eggs. They've been a cause of the extinction of more than 70 species of Hawaiian birds. Black rats threaten humans. They spread germs and diseases. Rats eat more than 20% of the world farmed food. And that's why the Hawaiians imported 72 mongooses and began to breed them to kill rats. However, when mongooses got to Hawaii, they didn't wipe out rats as plantation owners hoped to. They became friends with rats. So, now Hawaii has two unwanted guests defacing the natural beauty.

Answer the following questions :

39- What made the Hawaiians feel disappointed?
