.....

.....

**Read the following passage, then answer the questions:**

Many changes are taking place in hospitals where the cost of medical equipment and care is skyrocketing. Because of the high costs, patients now spend a limited number of days there depending on their illnesses. Even new mothers, who used to have a five - to - ten day hospital stay after giving birth, go back home in twenty four hours .

Medical technology has certainly led to great advances in the diagnosis and cure of many illnesses . However, people sometimes long for the good old days when the family physician was also a family friend .

**Choose the correct answer from a, b, c or d :**

**21** - According to the passage, staying in hospitals now depends on people's .....

- (a) money
- (b) care
- (c) physician
- (d) friends
